

Girls (Extended Edit)

David Bowie

Girls, they come and they go
They kiss, come and they go
Like breeze brushing my cheek
Like pain, like the tears on my face Girls, they come and they go
Like spirits, they vanish at dawn
My heart suspended in time
Like you vanish like tears in the rain Girls, they take their loves away
Like spirits living so far away Girls, pretending to break down and cry
Girls, whispering wind
What are they giving away We used to be so happy
Remember, remember so happy
I never knew how lonely
How lonely, how lonely I could feel Girls, they come and they go
They kiss, they come and they go
Like spirits brushing my cheek
Like pain, like the tears on my face Girls, they take their loves away
Like spirits, living so far away Girls, pretending to break down and cry
Girls, whispering wind
What are they giving away We used to be so happy
Remember, remember so happy
I never knew how lonely
How lonely, how lonely I could feel Girls
