

Haven't Had Enough (Prance-a-tron Remix)

Marianas Trench

Testing, testing, I'm just suggesting
You and I might not be the best thing
Exit, exit, somehow I guessed it right, right
But I still want ya, want ya, don't mean to taunt ya
If you leave now, I'll come back and haunt ya
You'll remember, return to sender now, now Well I just wish we could go back one more time and begin it
Back before I lost myself somewhere, somewhere in it We've been stuck now, so long, we just got the start
wrong
One more last try, Imma get the ending right
You can't stop this, and I must insist
That you haven't had enough
You haven't had enough
Stuck now, so long, we just got the start wrong
No more last place, you better get your story straight
You can't stop this, and I must insist
That you haven't had enough
You haven't had enough I still, need ya, need ya, don't mean to tease ya
If ya want me, I'll come back and meet ya
Whisper, whisper, you must admit you want it
You, you want it Well I just wish we could go back one more time and begin it
Back before I lost myself somewhere, somewhere in it We've been stuck now, so long, we just got the start
wrong
One more last try, I'mma get the ending right
You can't stop this, and I must insist
That you haven't had enough
You haven't had enough
Stuck now, so long, we just got the start wrong
No more last place, you better get your story straight
You can't stop this, and I must insist
That you haven't had enough
You haven't had enough Don't you need it?
Don't you want this at all?
(Testing, testing, I'm just suggesting)
Don't you need it?
Don't you want this at all?
(Testing, testing, I'm just suggesting) Stuck now, so long, we just got the start wrong
One more last try, I'mma get the ending right (You and I)
You can't stop this, and I must insist
That you haven't had enough (You haven't had enough)

That you haven't had enough (You haven't had enough)
Stuck now, so long,
We just got the start wrong
No more last place, (Another place) You better get your story straight
You can't stop this (Don't you need it?)
And I must insist
That you haven't had enough (Don't you want this all)
That you haven't had enough Testing, Testing, I'm just suggesting
You and I might just be the best thing
