Paper Light (Higher)

Loreen

I'm coming back to start
I'm counting back to the start
The sound of guns when we part
I'm in a race with this heartCome under my skin
Rush through my vains
I need your light
I've been chased
To a stormy place
Shooting up to the skyWe're born to be higher
Higher
We're born to be higher
We're paperlightYou're flashing bright in my eyes
You're all I've done, all my life!
And things aren't now what they seem
We're kings and queens of my dreamsCome under my skin
Rush through my vains
I need your light
I've been chased
To a stormy place
Shooting up to the skyWe're born to be higher
Higher
We're born to be higher
We're paperlight
We're born to be higher
Higher
We're born to be higher
We're paperlight in the skyI do it for you,
You do it for me
I do it for you,
You do it for me
I do it for you,
You do it for meWe're born to be higher
Higher
We're born to be higher
We're paperlight
We're born to be higher
Higher
We're born to be higher
We're paperlight in the sky
