Happy sad----------
You're happy and
Then all of a sudden you're sad
You are
So bizarre, honeyIf you
Pull this
Moping face on me
There's nothing more to say
You fell in love
With someone again and
Got dumped didn'tchaHappy sad
That's some nickname you got
You're always standing
In a sulky poseThe record we got
And listened to together
Last night
Had this boring love song on
Side one and this depressing
Jazz song on the other sideThe record player goes on
Spinning in the night
Some soul music
Makes me feel like dancing
It goes on and on and on
Forever
Happy sadIf I'm with you
I'll always be
Happy sad happy sad oo-ooh
If I love you
I'll always be

Happy sad happy sad oo-oohHey, are you crying? no!
You're laughing
You're just
Like rainy weather
HoneyNow don't pull this
Sad face
There's nothing
Left to say
After all
The fun you had
Now you're depressedThe record player goes on
Spinning in the night
If you don't want to dance
I'll dance by myself
Forever
Happy sadIf I'm with you
I'll always be
Happy sad happy sad oo-ooh
If I love you
I'll always be
Happy sad happy sad oo-oohThe record player goes on
Spinning in the night
Some soul music
Makes me feel like dancing and
Suddenly ends
Forever
Happy sad
