

# Amsterdam (Radio Edit)

**DJ Bomba**

Crazy club with dutchy beats  
Our place for sex and weed  
Window shopping this  
Shocking red light, body rocking Ferris wheel in Tokyo  
Party nights and aftershow  
Rio, London, here we go  
Is it real? I don't know. Bass, jump, beat, pump  
Music makes me so drunk  
East coast, west and  
Bass drum is your best friend Dubstep, techno  
Party nights in Glasgow  
Hot sun, white snow  
Is it real? I don't know. [Chorus: x3]  
Don't wake me up  
Don't wake me up  
I'm so fuckin' high in Amsterdam (Dam dam dam dam dam dam)  
I'm so fuckin' high in Amsterdam [Chorus x2]
