# Godâ€™s Gone Missing

## Danny Farrant & Paul Rawson

Can you hear me
Can you hear me
Can you hear me
Oh Lord
Can you hear me
Can you hear me
Can you hear me

I wanted to talk, but nobody would listen
So I turned to my God, God was missing
When the Devil came around
I was ready to burn the bridges on the road to the Lord

Well I wanted to walk but my legs had turned to steel
So I turned to my God and he said 'let me alone'
When the Devil came around I was ready to burn
The pages in the book of the Lord
The pages in the book of the Lord
The pages in the book of the Lord
Yeah

Take me to the other side
Where darkness reigns and demons ride
Where the wretched and the wicked and the weak reside
Take me to the other side
Take me to the other side
Take me to the other side
Yeah

Can you hear me
Can you hear me
Can you hear me
Oh Lord
Can you hear me
Can you hear me
Can you hear me
Oh Lord
Hallelujah
Hallelujah
Hallelujah

Oh Lord
Hallelujah
Hallelujah
Hallelujah

Well I wanted to talk
But no one would listen
So I turn to my God
God was missing
When the Devil came 'round
I was ready to burn
The pages in the book of the Lord
The pages in the book of the Lord
Yeah

Take me to the other side
Where darkness reigns and demons ride
Where the wretched and the wicked and the weak reside
Take me to the other side
Take me to the other side
Take me to the other side
Yeah

Can you hear me
Can you hear me
Can you hear me
Oh Lord
Can you hear me
Can you hear me
Can you hear me
Oh Lord
Oh Lord
Oh Lord
