Just Another Girl

The Melody Ranch Girl

I know, and you know it's true that
This love is really really true and
I know, and you know it true that
This love is really really true and
I want tell your friends, no other kinda way
There's one thing you should know, you are just another girlJust another girl, that's what you are
You are just another girl, bigger eyes but you are not that small
I love you but remember that you are just another girl, girl, eh, irlOh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh ohI know, and you know it true that
This love is really really true and
I know, and you know it true that
This love is really really true and
I want tell your friends, no other kinda way
There's one thing you should know, your just another girlJust another girl, that's what you are
You are just another girl, bigger eyes but you are not that small
I love you but remember that your just another girl, girl, eh, irlI know, and you know it true that
This love is really really true and
I know, and you know it true that
This love is really really true and
I want tell your friends, no other kinda way
There's one thing you should know, your just another girlJust another girl, that's what you are
You are just another girl, bigger eyes but you are not that small
I love you but remember that your just another girl, girl, eh ,irlJust another girl, that's what you are
You are just another girl, bigger eyes but you are not that small
I love you but remember that your just another girl, girl, eh, irlOh oh oh
