U got the time u got the date! Can b fuck up or make some droppah mate.
Digi digi dan dan light up di spliff another one we just began .
Always high fam feel themselves like in Amsterdam , like in Amsterdam.

Themselves bring the drama ....
Dat shit we ain't wanna. Canâ€™t stop Babylon .
See me normal see me cool you canâ€™t no more people fool, cause Jah-Jah

Staying in the sky imma Gen Hi (when) When i'm alone in this mother fucking room
My mind is gone see everything like a fucking Zoom
Just feeling the stuff in the body i'm on My pain is away and it's nothing no wrong
Smoking gorilla i'm feeling like - strongRolling the green and i stay with my own
Flipping the gramm Want to fuck around with the man that don't give a damn ?!
Riding around and i'm feeling like PlayaJust stuck in the Air

We're Hood Gang Smoking that trees with the wood man
Clap that booty i am rude ,damn Wrote what you hear with the blue pen
Every day walking my way No enemy they passed away
