Awaking to a Dream

The Ocean Blue

No way in
No way out
I'm caught in this limbo-land
Can't go on
Can't go back
I cannot get out of here
Can't go on
Can't go back
I'm caught in this limbo-land
Camera's on
Camera's of
f I cannot get out of here
No way in
No way out
I cannot get out of here
Camera's on
Camera's off
It's out on the radio
