

I'm Gonna Knock On Your Door

The Isley Brothers

Elaine, this is Rudolph out here
If you don't come out tonight I'm gonna knock on your door, ring on your bell
Tap on your window too
If you don't come out tonight while the moon is bright
I'm gonna knock and ring and tap until you do I'm gonna knock on your door, call out your name
Wake up the town, you see
I'm gonna hoot and howl like the lovesick owl
Until you say you're goin' out with me Hey little girl, this ain't no time to sleep
Let's count kisses 'stead of countin' sheep
How can I hold you near
With you up there and me down here? I'm gonna knock on your door, ring at your bell
Wake up the town, you see
If you don't come out tonight while the moon is bright
I'm gonna knock and ring and tap until you do Hey, little girl, this ain't no time to sleep
Let's count kisses 'stead of countin' sheep
How, how can I hold you near
With you up there and me down here? I'm gonna knock on your door, ring on your bell
Tap on your window too
If you don't come out tonight while the moon is bright
I'm gonna knock and ring and tap until you do I'll knock and ring and tap until you do
I'll knock and ring and tap until you do
I'll knock and ring and tap until you do
