

# I Know What I Am

## Band of Skulls

High ho, triple salchow  
I got a feeling like a tidal flow  
But I know what I am  
They know what they are  
So let me beGasoline, suck her in  
I got no reason for the state I'm in  
But I know what I am  
They know what they are  
So let me beHotel, Taco Bell  
I got the hit that you know damn well  
But I know what I am  
They know what they are  
So let me beCut teeth, better believe  
I got the feeling that I'm underneath  
But I know what I am  
They know what they are  
So let me beBut it's alright, it's okay  
I got the time but the time don't pay  
It's alright, it's okay  
I got the time but the time don't payIt's alright, it's okay  
I got the time but the time don't pay  
It's alright, it's okayFlick flack, no stack  
I got the wit that my enemies lack  
But I know what I am  
They know what they are  
So let me beTrick some, just begun  
Giving you more when you only want one  
'Cause I know what I am  
They know what they are  
So let me beHot, sweat, got debt  
keep your liquor in the locker 'cause you don't know yet  
But I know what I am  
They know what they are  
So let me beShip shape, ticker tape  
Looks to me like a narrow escape  
But I know what I am  
They know what they are  
So let me beBut it's alright, it's okay  
I got the time but the time don't pay

So let me be I know what I am  
They know what they are  
So let me be
