# Bird In A House

## Railroad Earth

I want to sing my own song that's all
cried the bird and flew into a wall
there must be some way he cried
and his desperation echoed down the hallJust another bird in a house
dying to get out
just another bird in a house
dying to get outI want to join my own kind that's all
cried the bird and flew into a wall
there must be some way out he cried
and his desperation echoed down the halljust another bird in a house
dying to get out
just another bird in a house
dying to get outI'm gonna smash my way out that's all
cried the bird and smashed from wall to wall
there must be some way out he cried
and his desperation echoed down the halljust another bird in a house
dying to get out
just another bird in a house
dying to get out
