

Sparkle

Everclear

I remember when you seemed real
And shiny when the sweat of your voice
Shaky hands, super loud and teenage mouth
We were all charmed and taken with your talk
Now I shudder when I hear the rhythm of your walk
I've got no place to go, I've got no place to go
I've got no one, no where, no one
I have given up on the sparkle that I saw in you
Yes, I have sinned the sin of wanting more
The belly fire pulls the spirit from the corporate whore
I'm embarrassed by the plaid you wear
If I were you I'd hide behind that stupid bleached blond hair
I've got no place to go, I've got no place to go
I've got no one, no where, no one
I have given up on the sparkle that I saw in you
Yeah, that simply minded sparkle that I thought I saw
Yes, I have wondered why you changed
I like it when you were super loud
Yeah, I wonder if you're still giving in
Tell me why you're giving in?
