Sparkle

Everclear

I remember when you seemed real
And shiny when the sweat of your voice
Shaky hands, super loud and teenage mouth

We were all charmed and taken with your talkNow I shudder when I hear the rhythm of your walkI've got no place to go, I've got no place to go

I've got no one, no where, no one

I have given up on the sparkle that I saw in youYes, I have sinned the sin of wanting more

The belly fire pulls the spirit from the corporate whore

I'm embarrassed by the plaid you wear

If I were you I'd hide behind that stupid bleached blond hairI've got no place to go, I've got no place to go

I've got no one, no where, no one

I have given up on the sparkle that I saw in you

Yeah, that simply minded sparkle that I thought I sawYes, I have wondered why you changed

I like it when you were super loud

Yeah, I wonder if you're still giving in

Tell me why you're giving in?
