

Into The White (Two Pale Boys)

Pixies

And there ain't no night
And there ain't no night
Did you hear what I said?
But into whiteInto white
 Into white
Into whiteAnd there ain't no day
 And there ain't no day
 And there ain't no night
 And there ain't no night
 And there ain't no day
And there ain't no nightInto the white
 Into the white
Into the whiteDid you hear what I said?
 Did you hear what I said?
 Deeper than your sleepy head
 Deeper than your sleepy head
 Ain't nothin' to see
Ain't nothin' in sightInto the white
 Into the white
Into the whiteGo and you'll go real far
 Go and you'll go real far
 Just pass the big quasar
 Just pass the big quasar
 Can't hitch a meteorite
Can't hitch a meteoriteInto the white
 Into the white
 Into the white
