

# Sunspots

## Kwook

Sunspots cast a glare in my eyes  
Sometimes I forget I'm alive  
I feel it coming and I've gotta get out of its way  
I hear it calling and I come 'cause I can't disobey  
I should not listen and I shouldn't believe but I do  
Yes, I do  
She turns me on  
She makes it real  
I have to apologize  
For the way I feel  
My life, it seems has taken a turn  
Why in the name of God would I ever want to return?  
Peel off our skin we're gonna burn what we were to the ground  
Fuck in the fire and we'll spread all the ashes around  
I wanna kill away the rest of what's left  
And I do, yes I do  
She turns me on  
She makes it real  
I have to apologize  
For the way I feel  
And nothing can stop me now  
There is nothing to fear  
And everything that ever was  
Is inside of here  
Woah woah woah woah  
Inside us here  
Now I just stare into the sun  
And I see everything I've done  
I think I could have been someone  
But I can't stop what has begun  
When everything is said and done  
And there is no place left to run  
I think I used to be someone  
Now I just stare into the sun
