

# Trouble Is As Trouble Does

## Striking Matches

Woke up this morning with a pounding in my brain  
I don't know where I am or how I will explain  
The congregation whispers when I walk in late  
Oughta straighten up if only for my mama's sakeEverybody says I've lost my mind  
When I'm with you I guess I see why  
I'm saying things I never say  
Doing things that I don't do  
You're no good for me and they say I'm too good for you  
But I can't help myself when you're around  
If trouble is as trouble does  
Then I'm in trouble now  
All points bulletin, last seen yesterday  
Brown hair, brown eyes, third time runaway  
We pulled in, 2am, front porch light still on  
When I saw your daddy comin, we were goin, goin, goneEverybody says I've lost my mind  
When I'm with you I guess I see why  
I'm saying things I never say  
Doing things that I don't do  
You're no good for me and they say I'm too good for you  
But I can't help myself when you're around  
If trouble is as trouble does  
Then I'm in I'm in trouble now  
Everybody says I've lost my mind  
When I'm with you I guess I see why  
I'm saying things I never say  
Doing things that I don't do  
You're no good for me and they say I'm too good for you  
But I can't help myself when you're around  
If trouble is as trouble does  
Then I'm in trouble now
