

# Hey There

[Rosemary Clooney](#)

Lately when I'm in my room, all by myself  
in the solitary gloom, I call to myself  
Hey there you with the stars in your eyes  
love never made a fool of you  
you use to be too wise  
hey there you on that high flyin cloud  
though he won't throw a crumb to you  
you think someday he'll come to you  
better forget him, him with his nose in the air  
he has you dancin on a string  
break it and he won't care  
won't you take this advice I hand you like a mother  
or are you not seein things to clear  
are you too much in love to hear  
is it all goin in one ear and out the other hey there you with the stars in your eyes  
spoken (Are you talking to me?)  
love never made a fool of you  
(Not until now)  
you used to be too wise  
(Yes, I was once)  
will you take this advice I hand you like a mother  
or am i not seein things to clear  
are you just too far gone to hear  
is it all goin in one ear and out the other
