

Praying For You

[William Murphy](#)

Lord I'm prayin for my brother, cause I know he wants to do you real.

Yes, man I'm prayin for my sister cause I know you want to set her free, set her free, set her free.

Prayin for the body of christ, I know you're gonna have your way, yes.

If you're listening and you're hurtin real bad, don't worry I can hear him say.

I'm prayin for you, when I pray things will change. And now pass all your cares to him, the lord will free your mind.

Despite the pain you feel, he will come through.

Now I'm prayin for you.

Yeah, yeah.

Said I'm prayin for you.

Hallelujah, hallelujah.

Hold your head up my brother, though sometimes it may be hard to do.

You just be encouraged, cause I've been in that position too.

And you've been feelin so lonely, sometimes you don't know where to go, what to do, where to turn, but if you're listening and you want a way out, there is something you just ought to know.

Know that I'm prayin for you, when I pray things will change. So now pass all your cares on him, the lord will free your mind.

Despite the pain you feel, he will come through.

I just came to tell you, I'm prayin for you.

I'm prayin for you.

Things are gonna get better, so hold your head up.

I'm prayin for you.
