

# 7 Minutes In Heaven (atavan Halen)

## Fall Out Boy

I'm sleeping my way out of this one  
With anyone who will lie down  
I'll be stuck fixated on one star  
When the world is crashing down I keep telling myself  
I keep telling myself  
I'm not the desperate type  
But you've got me looking in through blinds I keep telling myself  
I keep telling myself  
I'm not the desperate type Sitting out dances on the wall  
Trying to forget everything that isn't you  
I'm not going home alone  
'Cause I don't do too well Sitting out dances on the wall  
Trying to forget everything that isn't you  
You're not going home alone  
'Cause I don't do too well on my own The only thing worse than not knowing  
Is you thinking that I don't know  
I'm having another episode  
I just need a stronger dose I keep telling myself  
I keep telling myself  
I'm not the desperate type  
But you've got me looking in through blinds I keep telling myself  
I keep telling myself  
I'm not the desperate type Sitting out dances on the wall  
Trying to forget everything that isn't you  
You're not going home alone  
'Cause I don't do too well Sitting out dances on the wall  
Trying to forget everything that isn't you  
You're not going home alone  
'Cause I don't do too well on my own Da, da, da  
Do, do, do  
Da, da, da  
Do, do, do I keep telling myself  
I keep telling myself  
You're not the desperate type  
But you've got me looking in through blinds I keep telling myself  
I keep telling myself  
You're not the desperate type Sitting out dances on the wall  
Trying to forget everything that isn't you  
I'm not going home alone

'Cause I don't do too well on my own
