

# Side by Side

## Reed Kd

Oh, we ain't got a barrel of money  
Maybe we're ragged and funny  
But we'll travel along, singin' a song  
    Side by side  
Don't know what's comin' tomorrow  
    Maybe it's trouble and sorrow  
But we'll travel the road, sharin' our load  
    Side by side  
    Through all kinds of weather  
    What if the sky should fall but  
        As long as we're together  
        It doesn't matter, matter at all  
When they've all had their quarrels and parted  
    We'll be the same as we started  
    Just travelin' along, singin' a song  
    Side by side
