

# I Could Have Danced All Night

## Frank Sinatra/Red Norvo Quintet

Bed! Bed! I couldn't go to bed!  
My head's too light to try to set it down!  
Sleep! Sleep!  
I couldn't sleep tonight.  
Not for all the jewels in the crown!

I could have danced all night!  
I could have danced all night!  
And still have begged for more.  
I could have spread my wings  
And done a thousand things I've never done before.  
I'll never know What made it so exciting;  
Why all at once My heart took flight. I only know when he  
Began to dance with me I could have danced,  
danced, danced all night!

I could have danced all night!  
I could have danced all night!  
And still have begged for more.  
I could have spread my wings  
And done a thousand things I've never done before.  
I'll never know What made it so exciting.  
Why all at once my heart took flight.  
I only know when he  
Began to dance with me.  
I could have danced, danced danced all night!
