The Waitress

Tori Amos

So I want to kill this waitress
She's worked here a year longer than I
If I did it fast, you know it's an act of kindness
But I believe in peace
I believe in peace, bitch
I believe in peace
But I believe in peace
I believe in peace, bitch
I believe in peace
I want to kill this waitress
I can't believe this violence in mind
And is her power all in her club sandwich
But I believe in peace
I believe in peace, bitch
I believe in peace
But I believe in peace
I believe in peace, bitch
I believe in peace
I want to kill this killing wish
They're too many stars and not enough sky
Boys all think she's living kindness
Ask a fellow waitress, ask a fellow waitress
