

Ride a White Horse (FK-EK vocal version)

Goldfrapp

Now take me dancing at the disco
Where you buy your Winniebago
I wanna ride on a white horse
I want to ride on a white horse When the light turns into darkness
Will he turn up to explain us?
I wanna ride on a white horse
I want to ride on a white horse Lend me a whole new world
All night, feel life, oh oh!
When is there ever sense
To love this world, oh oh! In the whirlpool we'll go deeper
In this world that's getting cheaper
I wanna ride on a white horse
I want to ride on a white horse I like dancing at the disco
I want blisters, you're my leader
I wanna ride on a white horse
I want to ride on a white horse Lend me a whole new world
All night, feel life, oh oh!
When is there ever sense
To love this world, oh oh! Lend me a whole new world
All night, feel life, oh oh!
When is there ever sense
To love this world, oh oh! Oh, I love this feeling
Feels like forever
Oh, I love this feeling
Feels like real
