

# Good Go Bad

[Cheyenne Kimball](#)

We used to be happy  
What a thing to chase  
My heart is all broken  
Yeah, well, I'm sad better  
When you look at my face Don't tell me, "No", I'm done  
Don't tell me I'm the only one Let's break up, you seem to have enough  
I'm sick and tired of watching the good go bad  
Watching the good go bad Break up, you see, I've had enough  
I'm sick and tired of watching the good go bad  
Watching the good go bad  
And I'm not coming back Turn out the loud static  
'Cuz it's killin' my ears  
Well, I'm not one to panic  
So, I'm shaking it off and getting rid of these fears Don't tell me it's the end  
No, I don't wanna go through that again  
I don't wanna go through that again Let's break up, you seem to have enough  
I'm sick and tired of watching the good go bad  
Watching the good go bad Break up, you see I've had enough  
I'm sick and tired of watching the good go bad  
Watching the good go bad  
And I'm not coming back We used to be happy  
What a thing to chase  
We used to be happy  
What a thing to waste Let's break up, you seem to have enough  
I'm sick and tired of watching the good go bad  
Watching the good go bad Break up, you see I've had enough  
I'm sick and tired of watching the good go bad  
Watching the good go bad  
I've got a feeling it's the end
