

# Ice to Eskimoz

## Cage9

And you lie like a dog  
Just to get what you want  
When you want it

Like a rooster at dawn  
The sun comes when you call  
You don't own it so

Tell me why we  
Compromise  
You're selling me,  
And you see I can barely breath

Why don't we  
Run away to the cold North Pole  
We'll get rich selling ice to the Eskimos  
Cause we lie like we're dogs  
Cause that's what we are  
But we can't help it

So tell me why we  
Compromise you're selling me,  
And you see, I can barely breath

Its lovely weather!  
We can see forever!  
Wish the sun were better!

But you better run  
Cause you got the sun  
And your dreams are melting

You better run  
Cause you got the sun  
(You better run)  
You better run  
Cause here comes the sun

So tell me why we  
Compromise your selling me,

And you see I can barely breath

Just tell me why we  
Compromise,  
When we could see, forever  
And the sun, zero weather  
Nothing lasts forever

So you better run  
(You better run)  
Cause here comes the sun  
(Here comes the sun)  
You better run  
(You better run)  
Cause here comes the sun  
Here comes the sun
