Why (feat. Mod Martin)

Laurent Wolf

Red lights hanging over me
She stands alone but she can't see
But I won't tell you why
She smiles, finds the words to speak
She cannot move but she can breathe
But I won't tell you whyReject me
Protect me
Tell me anything you want me
Reject me
Protect meTell me anything you want me
Tell me anything you want me
Tell me anything you want me
Tell me anything you want me
Tell me anything you want me
(Tell me anything you want me)
Red lights hanging over me
She stands alone but she can't seeBut I won't tell you why
She smiles, finds the words to speak
She cannot move but she can breathe
But I won't tell you whyLost cases
Happy Faces
These are our only fences
Lost cases
Happy facesThese are our only fences
These are our only fences
These are our only fencesLost cases
Happy faces
Lost cases
Happy facesWhy, don't you want to try
Why the world is right
Tonight the world feels better
Why, don't you want to try
Why, don't you want to try
Why, don't you want to tryWhy the world is right
Tonight the world feels better
Why
