

Zeppelin Song

Courtney Love

Will you accept a collect call from Robert Plant?
We picked him up on Vine
On a bus bench singing that song he cannot stop
This is not the first time
He was so cute Jonny Punk Rock, so cynical
You woulda jumped him too but now the song remains
Why are the burners always toast?
Why are the stoners always stoned?
Why did the chicken cross the road?
To get away from the Zeppelin song I got a job minimum wage and a table-dance
He drinks my beer and plays guitar
He's on my bed wasted every night when I come home
Play the same old lead again and again and Sometimes I gotta say "Shutup"
Sometimes I gotta say "So what?"
I don't think that it's so punk
What's with the Zeppelin song Sometimes I gotta unwind
Sometimes I gotta hide
Sometimes erase and rewind
I gotta throw the trash out He's playing the 'Stairway to hell'
Yeah, that is him
Playin' the same old Zeppelin song again and again
Again and again and again and again I'm a guitar a Les Paul single cutaway
Please don't play that song on me again
I'll explode, I'll break all my strings and start playing shit
Like the Sex Pistols or anything Sun House or the Blues Why does he rain on my parade?
Why does the song remain the same?
I can't remember my own name
I work for minimum wage Oh, go tell it to Jimmy Page
At the crossroads with the deal he made
'Cause that song ain't goin' away
Oh God, the Zeppelin song! No no, the Zeppelin song
Here comes the Zeppelin song
Oh God, the Zeppelin song!
Shut up!
