

LOVE SENSATION

Eureka Seven Fanz

Don't go changing, rearranging
Don't go changing, rearranging
 Hold on to a love sensation
 If you ever go away
 That would be my darkest day
 We've been drawn together
 By love's chemistry
 I was born to be by your side
 Sure as the river meets the sea
 We've only known each other
 For a little while but you're my destiny
 I would move all Heaven and Earth
 Just to set you free
 In lover's liberty
 Inject the chemistry
 That's gonna move you
 Never gonna loose you
 Don't go changing, rearranging
 Hold on to a love sensation
 If you ever go away
 That would be my darkest day

Lately I've been seeing
A little doubt in your eyes
You used to call me every day
 And say the things
 To keep me satisfied
I would move all Heaven and Earth
 Just to set you free
 In lover's liberty
 Inject the chemistry
 That's gonna move you
 Never gonna loose you
 Don't go changing, rearranging
 Hold on to a love sensation
 If you ever go away
 That would be my darkest day
 Don't go changing, rearranging
 Hold on to a love sensation

There's a power energy
That only flows from you to me
