

# Till the End of Time

## Chicago

Why...do you love me like you do  
Baby you deserve much more  
Why...after all I've put you through  
Would you stick around for more Heaven's at my feet now that I've found you  
Life seems so complete when I'm around you  
No one else could touch me quite so deeply  
No one's love could satisfy me so sweetly  
Love me till the end of time Why...even though you know I'm crazy  
Do you still believe in me  
Why...does a smile come so easy  
Baby, since you set me free Free from all the weary wasted hours  
Free from all those meaningless encounters  
Free to live our lives the way we want to  
Free to realize just what we've been through  
Love me till the end of time Heaven's at my feet now that I've found you  
Life seems so complete when I'm around you  
No one else could touch me quite so deeply  
No one's love could satisfy me so sweetly  
Love me till the end of time Love me...only you can love me like you...
