Queen Bee

Koko Taylor

Well, I'm a queen bee, buzzin' 'round your hive
Well, I'm a queen bee, buzzin' 'round your hive
When you hear me buzzin'
Please, let me come insideI'm young and able to buzz all night long
I'm young and able to buzz all night long
When you hear me buzzin'
Some stinging's going on, [Incomprehensible]Well, I'm a queen bee, won't you be my friend?
Well, I'm a queen bee, won't you be my friend?
Together we can make honey
Like the world never seen [Incomprehensible]Well, I'm a queen bee, [Incomprehensible] all night long
Well, I'm a queen bee, [Incomprehensible] all night long
Well, I could buzz at you, baby, when your gal is gone
