Unafraid

Tallan

They say I'm too young to really understand
They say I'm too old to be where I am
They say just fit in, you'll be just fine
But I can't buy the lie

The voices of the crowd always try to keep me down
But I've had enough and now I'm stepping out

Unafraid
â€˜Cause I know who You are
Unafraid
Staring life in the face
â€˜Cause I know who I am is who You made
So here I stand
Unafraid

You say I'm Your own, an orphan found
You say I am home, those lies are lonely now
You're proud of me, and I am safe
And my fears begin to fade

Your voice is drowning everybody out

I'm gonna live my life (unashamed)
Living my life (untamed)
For the sake of Your Name
I'm living my life, I'm living my life
