Glorious One

yfriday

You are beauty, oh, how beautiful You are
Shining like a treasure
You are brilliant and You overwhelm the stars
Glory without measure
Glorious One, Glorious One
Merciful Father, beautiful Son
Glorious One, Glorious One
You are my pleasure, You are my song
Oh, Glorious One
You are mercy and Your mercy is Your crown
Infinite and ageless
You are forever and forever You will be
Worthy of all praises
Glorious One, Glorious One
Merciful Father, beautiful Son
Glorious One, Glorious One
You are my pleasure, You are my song
God Your fame is great, it cannot be contained
Your name is praised above all other names
Your fame is great, it cannot be contained
Your name is praised above all other names
Glorious One, Glorious One
Merciful Father, beautiful Son
Glorious One, Glorious One
You are my pleasure, You are my song
Glorious One, Glorious One
Merciful Father, beautiful Son
Glorious One, Glorious One
You are my pleasure, You are my song
Oh, Glorious One
