

Ride (feat. Rams Fax)

IreneB

INTRO

What were gonna do right here is bring it back
Way back, back into time

Lets goVERSE 1

First things first, let me say that youre beautiful
Nothing I know can compare to you
With the way you move, you got me in a groove
With the way you look, I cant help but stareYou got me like an hour glass

Everytime the hours pass

Im looking for you, Im looking for you

Now, what I gotta do to be close to you

Ill be the key to your ignition

Gonna revue up here quickPRE-CHORUS

Please, baby tell me, whats it gonna be?

Im sitting here waiting on you

Let me open the door

And show you what I got in storeCHORUS

Dont you know youre teasing me

Its killing me

Love the way you look to me

Im feening, see?

I said I need you right by my side

Hop in for the night

Imma take you on a ride

Imma take you, Imma take you, Imma take you

Imma take you on a ride, a ride, a ride, a ride

Imma take you, Imma take you, Imma take you

Imma take you on a ride, a ride, a ride, a rideVERSE 2

I know what you like

I got it right here

Heres the plot to make your engine hot

Gonna break the rules so we will never stop

I aint gonna slow til you say thats all

And even then Im still gonna goIm coming for you, relax your mind

Im gonna take my time

Hold on tight, I feel your body closer

Tonights our night, Ill take it from herePRE-CHORUSCHORUSRAMS FAX RAPPRE-

CHORUSCHORUSOUTRO

See Imma take you take you

Tonight, oh yeah
Imma take you there
Imma take you there
Let me take you there
