

Smiley

Astrolites

You're on my side again
You make me cry again
Smiley You talk me round again
Everything's left
So untidy I'm not that strong
Everything's easy
Greezy You're not a bitch
It's your job, tease me
Push me Under your thumb
Am i suffering
From being tied? Keep it easy
I'm not one to fight
Close your mouth
I'm not one to fight Don't be a friend to me
Keep yourself far from me
Smiley Make it easy
I'm not one to fight
Close your mouth
I'm not one fight Uh...
