

Ambiguous (feat. Mike Posner And Clinton Sparks)

Big Sean

[Chorus: Mike Posner]

She loves me, she loves me not

I can't tell if she's down or not

Oh you like me?

What the hell does that mean?

Don't be so ambiguous girl

Don't be so ambiguous girl

Are we gonna fuck or not?

[Verse 1: Mike Posner]

Maybe I'm just dumb

But I can't read the signals that you're giving

I can never tell

If you're looking at me or

Is this the way you talk to every guy that you meet?

Or do you wanna come back and stay up all night,

all night, all night with me?

[Chorus]

[Verse 2: Big Sean]

Baby what's your favorite dreams?

I think I'm about round of em all

I'm rollin up the bestest

Come help me blow a pound of it all

I'm on the up up and echelon

You should climb up and be down with it all

Cause we go hand and hand like round of applause

Showtime bitch, action

I think it's time for that night scene

She goes to sleep and dream about my sex

I guess it's a pipe dreams

28 but I'll make her feel like she 19

Trying to stick around like wifie

But I'll send her home in my white tee like bye, bye-bye, bye

[Chorus]

[Verse 3: Clinton Sparks]

Now every time I see this girl

She be asking all type of shit
Where is it I'm going to?
And who is it I'm hanging with?
Can never tell if she's in to me
Or just want to be a friend to me
Mixed signals she sending me
Late night at the club drunk texting me
Like "can I come over your house? "
Ok but can I cum over your mouth
Smiley face, lol, back and forth
I can't tell without being conspicuous

[Chorus]
