

# Well Known Sinner

## [Archive](#)

First you like to talk  
Then you like to come around  
Then you like to walk  
Then you wanna get down  
There's free as a bird  
There's something I've heard Then you light a cigarette  
Then you tell me no regrets  
You never had a better then  
You really know your work  
Then you light a cigarette  
Then you give your work You forgot, I really like to think  
You forgot, I really like to think  
You forgot, I really like to think  
You forgot, I always will investigate Yeah yeah yeah yeah  
You're a well known sinner  
Yeah yeah yeah yeah  
I always try and appreciate  
Yeah yeah yeah yeah  
Before I follow you down Yeah yeah yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah You're a well known sinner  
You're a well known sinner  
Well known sinner
