

All My Money!

The Aquabats!

Uh oh, uh oh - Whoopsie!

Uh oh, uh oh - Whoopsie!

Uh oh, uh oh - Whoopsie!

Uh oh, uh oh

I had a birthday and grandma gave me money

She said

"Don't spend it all in one place, honey"

Then I got twenty bucks for Columbus Day

And I found sixty-five in The Everglades

Oh can't you see me check... a look at me

Running round town on a shopping spree

G-G-Got some new skis

And some break dance shoes

Like boogaloo shrimp

And a shabba-doo!

I spent all my money! I can't believe myself

I spent all my money! I can't believe myself

Uh oh, uh oh - Whoopsie!

Uh oh, uh oh

I bought some tropical fish

For my Japanese cat

And some ostrich feathers

For my black leather hat

Got some shiny gold rings

And an X-ray machine

So I can take a few pictures Of the inside of me

Oh can't you see me

Can't you see me oh?

Running round town like an Eskimo

In a fuzzy fur coat

On a fondue bike

This is my money baby

Gonna buy what I like

I spent all my money! I can't believe myself

I spent all my money! I can't believe myself

I spent all my money! I can't believe myself

I spent all my money! I can't believe myself
(Whoops! I dropped it, I dropped it, I dropped)

You got some money
And POOF!! It's gone again
That's just the way it goes
No No No don't you worry
You just go to grandma's house
That's where the money tree grows!

So come one come on come on
Let's spend some money now
come on come on come on
Roll up those quarters
come on come on come on
Let's spend some money now
come on come on come on

I spent all my money! I can't believe myself
I spent all my money! I can't believe myself
I spent all my money! I can't believe myself
I spent all my money! I can't believe myself

Whoops!
