

Lolita

Princess One Point Five

He says come on I'm not getting any younger
Pretend I'm sick, come on and get under the covers
Backwards flip, be sure she doesn't want some water
You should know better
It's one step further from home
One step further from home She says I'm not getting any closer
With her skirt hitched up
She says you better learn to treat me kinder
(Underage) You'll make your life out when it's over
You should know better
It's all up to you
All up to you
