

Come and Get These Memories

Bette Midler

Here's your old friendship ring
Can't wear it any more
Here's your old love letters
I can't read them any more
Lover you've gone from me
And left behind so many memories
Here's that old teddy bear
That you won from me at the state fair
Here's some old valentine cards
Give 'em to your new sweetheart
Lover you've gone from me
And left behind so many memories
Here's our old favorite record
Can't stand to hear it anymore
It's just some old lingering love song
It's in my heart and it's tearing it apart, tearing it apart
Because of these memories
I never think of anybody
Never think of anybody but you
So, come on and get 'em (babe)
Come on and get 'em, babe (babe)
Come on and get 'em
And let me find somebody new
