

Billie Jean

Chris Cornell

She was more like a beauty queen from a movie screen
Said, "Don't mind, but what do you mean
I am the one who would dance on the floor in the round?
She says I am the one who would dance on the floor in the round
She said her name was Billie Jean, then she
caused a scene
Every head turned with eyes that dreamed of being the one
Who would dance on the floor in the round
People always told me, Be careful what you do
Don't go around breaking young girls' hearts
Mother always told me, Be careful who you love
Careful what you do before the lie becomes the truth
Billie Jean is not my lover
She's just a girl who says that I am the one
But the kid is not my son
She says I am the one
But the kid is not my son
For forty days and forty nights the law was on her side
Who could stand when she's in demand, her schemes and her plans
'Cause we danced on the floor in the round
So take my strong advice and remember to always think twice
Do think twice
She told my baby that we danced till three and she looked at me
Showed a photo of my baby cry, his eyes were like mine
'Cause we danced on the floor in the round
People always told me, Be careful what you do
Don't go around breaking young girls' hearts
Then she stood right by me, the smell of sweet perfume
This happened much too soon but she called me to her room
Billie Jean is not my lover
She's just a girl who says that I am the one
But the kid is not my son
She says I am the one
But the kid is not my son
Billie Jean is not my lover
She's just a girl who says that I am the one
But the kid is not my son
She says I am the one
But the kid is not my son
So take my strong advice and remember to always think twice
Do think twice
