Handout

Din

What's it gonna take to be done?
What's it gonna be right or wrong?
I don't have the strength left to fight
And I don't have to make up my mindI know you're never wrong
No matter what it takes
Now I know you're not the one
But we all make mistakes, help me outWhat's it gonna take to be done?
What's it gonna be right or wrong?
I don't have the strength left to fight
And I don't have to make up my mindI know you're never wrong
No matter what it takes
Now I know you're not the one
But we all make mistakes, help me outNow I don't want your handout
Now I don't need your way outSo what's it gonna be
And I've done everything
Why won't you believe?
You're the same as meWhat's it gonna take to be done?
What's it gonna be right or wrong?
Now I don't have the strength left to fight
Now I don't have to make up my mindNow I know you're never wrong
No matter what it takes
Now I know you're not the one
But we all make mistakes, help me outNow I know you're never wrong
No matter what it takes
Now I know you're not the one
But we all make mistakes, help me outNow I don't want your handout
Now I don't need your way out
