Some Like It

Amerie

Now whatcha gonna do when A catches an attitude
Drop to your knees and show gratitude
So whatcha wanna do with it?
Whatcha wanna do with it?
Whatcha gonna do with it?
Whatcha gonna do with it?What d'you do? What d'you do?Hey you should come here with me
(I'll show you some) things that you've never seen
(I got it) Nothing too familiar, I just gotta tell you boy I really feel you
(Ooh) Slide over next to me, Hi I'm Amerie
(Come closer) I'm not gonna bite you, maybe excite you if I really like you
(So let's make it, take it easy, won't be sorry boy believe me) Believe meSome of them like it
Some of them love it
I just wanna know what
Whatcha gonna do with it?
Whatcha gonna do with it?
Cause I'm not the type to wait around
I know, I know that's right
So what d'you do? What'd you do?(It's not complicated, it's easy to see)
(that) I'm a lot to manage I could do you damage
(Ooh) Tell me where you been, all the things you've seen
(I feel it) Wanna get to know you, so much to get through, body and a mind too
(Hope I'm not too much for you to show and prove I'm waiting) I'm waitingSome of them like it
Some of them love it
I just wanna know what
Whatcha gonna do with it?
Whatcha gonna do with it?
Cause I'm not the type to wait around
I know, I know that's right
So what d'you do? What'd you do?(Here's the situation, it's easy to see)
(that) Now I got you listenin' I'm what you've been missing
(Ooh) How you spend your time? How would you spend mine?
(I feel it) Checking out your swagger and from what I gather I'm what really matters
(Won't be long before this song is over and I'm leaving)Whatcha gonna do when I say goodnight?
I know you can see this thing don't come twice
You only got one chance, if you're scared I understand
But don't think it's impossible (impossible)Some of them like it (Some of them like it)
Some of them love it (Some of them love it)
I just wanna know what (I just wanna know what)
Whatcha gonna do with it?

Whatcha gonna do with it?
I know that's right
So whatcha gon' do?
