

Hate This Place

Goo Goo Dolls

Gone away
Who knows where you been
But you take all your lies
And wish them all away I somehow doubt
We'll ever be the same
There's too much poison
And confusion on your face Can you feel it?
I didn't mean it
Can I see you?
What are we doin'?
I think I love you
But I ain't sayin'
Nothin' you don't know Hold on dreamaway
You're my sweet charade Take your time
Move yourself to me
Yeah, I can take your lies
Until you fall away You know I'm lost
Hiding in your bed
No, I don't think it's wrong
It's just gone to my head Can you feel it?
I didn't mean it
Can I see you?
What are we doin'?
I think I love you
But I ain't sayin'
Nothin' you don't know Hold on dreamaway
