Never Love You

Kevon Edmonds

Darlin, I love you, I love you
Lets make it clear
I dont know what your friends have been tellin you
But my heart is sincereWell darlin, I need you, I need you
Its only the truth
And I swear Id go out of my mind
With the thought of my losingWell, I cant tell you how to feel
But the one thing that Im sure about
Girl, youll never find nothin as realHell never love you
Not like I love you
Hell never treat you like the lady you are
Who you areHell never know you
Not like I know you
And never be real, hell never be true
And youll never feel like you do in my arms
Not the way I love youNow darlin, I know things aint perfect
Im not bout to lie
And I know I aint been quite the angel
But I apologizeNow you think the grass might be greener
On the other side
Aint no gold at the end of the rainbow
Youre gonna find out in timeNow I cant help what you cant see
But the one thing that Im sure about
Girl, I know you should be here with meHell never love you
(No., no)
Not like I love you
(Not like I love you)
Hell never treat you like the lady you are
Who you areOh, hell never know you
Not like I know you
Hell never be real, hell never be true
And youll never feel like you do in my arms
Not the way I love youIts been too long, you need to come back home
Dont matter whos right or wrong, my dear
If Im to blame, I promise Ill change my ways
And uh, if thats not enough, baby
Ill get down on my knees in the name of loveHell never love you
Not like I love you
(Yeah)

Hell never treat you like the lady you are
(You are)
Who you areHell never know you
(Hell never know you, baby)
Not like I know you
Hell never be real
(Real)
Hell never be true
(True)
And youll never feel like you do in my arms
Not the way I love you
(Not the way that I love you, darlin)Hell never love you
(No)
Not like I love you
(Not like I love you, baby, no)
Hell never treat you like the lady you are
(You are)
Who you areHell never know you
(Hell never know you, girl)
Not like
(Not like)
I know you
(I know, I know)
Hell never be real, hell never be true
And youll never feel like you do in my arms
