Your Sickness (Feat. Tom Zinser)

Pinback

Something we both saw
Shattered all of us
Something we both saw
Mattered all alongIn spite of all our work
In spite of all our energy
Because of all our ignoranceSomething we both saw
Shattered all of us
Something we both saw
Mattered all alongTook us for a ride
Way, way off of courseGotta admit you got us good
All this time I never got
Gaffle like that
We believed all we heardGot a mouth
Insert the hook
Reel us in
Chain pulling man
We trusted you
See you laterNever hurts, but it never
Helps to read before you sign
