

# Forest Enthroned

## Catamenia

I am a night in to the darkness, only soul lost with me, I walk throught the  
night in to the forest and everything stays behind me, i`m waiting for another chance...it  
calls.I capture my eyes, I wait for the end, I see the holograms of today, only soul with me I  
carry my shadow, and it call`s my name...my name.I see the light, my mind can`t touch it, emperors name and  
the final thoughts, hearing  
whispering from my soul, i`m so cold inside but still it`s a truth...whispering inside of  
me.I touch my eyes, i`m dreaming for end, and enchanting woods is only a dream, I feel the  
sun my eyes will burn, for my soul I see anything.
