

Walking On Sunshine

Eddy Grant

Do it, oh do it
Oh, do it, do it
Oh, do it
Looking through the morning dew
At smoky mountains, nothing new
Lead me to the mountain tower
And we'll work until it's time to stop
Oh baby, you're mine, you're mine you're walking on sunshine
And I got to tell you that you doing fine walking on sunshine, oh
And I got to tell you that you're doing fine walking on sunshine
Yeah, oh baby, oh baby, oh baby, oh darling
Oh, living isn't everything
But you know the feeling love can bring
I said, "When you're floating through your cloud"
Baby don't you shout too loud, oh darlin'
Oh said girl, "You're mine, you're mine you're walking on sunshine"
And I got to tell you that you doing fine walking on sunshine, oh
I got to tell you that you're doing fine walking on sunshine
Oh oh, darling
"You're mine, you're mine you're walking on sunshine"
And I got to tell you that you doing fine walking on sunshine
Oh, I got to tell you that you're doing fine walking on sunshine
That's right, get there, everybody do this
That's right, get there, everybody do this
That's right, get there, everybody do this
That's right, get there, everybody do this
I'm walking on sun shine
I'm walking on sun shine
I'm walking on sun shine
