

The Age Of Pamparius

Turbonegro

From the ashes of this golden age of confusion,
The denim recruits came to be
Known as the apocalypse dudes. So you think you had an Opera
So you think you had a Napoli
So you think you had a decent pizza
Well not like this You got nothing to lose at Pamparius So you think you had a calzone
So you thought you could make your own
So you thought you could take it home
Well not like this
