

Porno Starlet Vs. Rodeo Clown

Califone

The porno starlet hovers in the eaves
Watching her own body fake and writhe
Mascara around her cataract eyes, bruises on her knees
She goes home to a rodeo clown
Pissing on his hands for luck
Dragging from the balls of a bull
Concussion barrel sings
Make you mean, half a lie
Sugar and milk baked into your steel
Save a peace, a peace for home
Unbroken streak, sleepwalk through
Starting to believe your own eyes
The plans are tearing in the wind
A steamboat lands on a flypaper bed
Sink down into you
Powder moth, save my page
Sad decoration, horse sized pill
Save a peace, a peace for home
Unbroken streak, sleepwalk through
The porno starlet hovers in the eaves
Watching her own body fake and writhe
Mascara around her cataract eyes, bruises on her knees
